Lambs to the Slaughter, 2003, 48 pages, Joe Gentile, 0972166882, 9780972166881, Moonstone, 2003.

Kolchak the Night Stalker: Lambs to the Slaughter: Kolchak investigates a spree of "typical" missing persons cases in Hollywood. Tinsel Town dreams led the poor kids astray, right? It's an old story told here, but exactly how old is sure to come to a shock to Carl. Like a run away train going downhill towards a field of scared bunny rabbits, Kolchak plows his way through (and over) the truth. How about genetic experiments covered up by unknown forces? How about Kolchak unwittingly trying to smooth talk his way into signing his own death warrant? How about Kolchak having a single iota of luck, just this one time? Please? And hey, Carl, how about getting your own cup of coffee and leaving Ron's alone for once?
